

Sika sample #28

BUILDING TRUST

Sikafloor Duraseal W NS, Fine slip resistant finish:

Clear Sealer with fine slip resistant finish, light to medium duty finish

Sika Masterspec 6133SS - Clear Sealers refer selections 4.1

Sikafloor® Duraseal W:

- Sikafloor Duraseal W is a clear two-component, water dispersed epoxy resin. Used as a wet slip resistant clear sealer for concrete floors that are subjected to light wear & abrasion

Benefits:

- Reduces permeability
- Reduces dusting
- Low odour
- Water based (solvent free)
- Wet slip resistant finishes
- Low viscosity
- Easy to apply
- Environmentally friendly

Typical areas of use:

- Concrete flooring
- Warehouses
- Storage facilities
- Carparks
- Garages
- Suitable for wet areas
