

SEALING Sikaflex[®] PRO-3

HIGH PERFORMANCE FLOOR JOINT SEALANT FOR FOOD-SAFE APPLICATIONS

BUILDING TRUST

NEW Sikaflex® PRO-3

High performance flooring sealant for food-safe applications

- Food-safe
- Meets Clean Room Certification standards
- Solvent free and odourless
- Very low emissions
- Greater service movement capacity (+/- 25%)
- Hard wearing with good chemical resistance* (*Please refer to Sika data sheet for further advice)
- Suitable for a wide range of flooring applications within the New Zealand food industry

 **Cleanroom®**
Suitable
Materials

Sika AG
Report No. SI 1103-544

Sikaflex PRO-3
TVOC (23°C/90°C): ISO -6.8 / tested

Flooring & Coating

NEW SIKAFLEX PRO-3 IS OFFICIALLY APPROVED AS A CLEANROOM SUITABLE MATERIAL FOR FOOD APPLICATIONS.

EASY TO APPLY

- Easy to extrude
- Good workability
- Easy to smooth
- Good adhesion to many substrates
- Solvent free
- Can be painted over
- Compatible with Sika Industrial Floor Coating systems

BENEFITS

- Fast to apply so less time to install
- Superior surface finish
- No solvent odours means a healthier work environment

JOINT DESIGN

- Uniform product quality
- Conforms to ISO 11600 F-class 25 HM
- Conforms to EN 15651-4 25 HM
- Conforms to ASTM C920-11 Class 35

BENEFITS

- Safety in both calculation and design even on weak substrates due to its outstanding movement capability
- Peace of mind from knowing what you specify has been fully tested and approved

LONG LASTING PROPERTIES

- Excellent weathering and ageing resistance
- Better movement capability
- Low stress to the substrate

BENEFITS

- Durable, long lasting results mean lower maintenance costs
- Less risk of failures and leakages due to outstanding movement capability, even on weak substrates such as plasters

SIKA I-CURE TECHNOLOGY

Sikaflex PRO-3 is based on Sika i-Cure® technology. This revolutionary new moisture-curing technology allows the formulation of a sealant with the following exceptional properties;

- Bubble free curing
- Suitable for clean room environments
- Excellent mechanical resistance
- Best application properties

BUILDING TRUST FROM BASEMENT TO ROOF
