## Sikafloor Duraseal W:

Clear Sealers light to medium duty finish

Sika Masterspec 6133SS - Clear Sealers refer selections 4.1

### Sikafloor® Duraseal W:

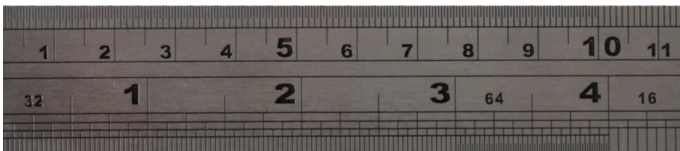

- Sikafloor Duraseal W is a clear two-component, water dispersed epoxy resin. Used as a clear sealer for concrete floors that are subjected to light wear & abrasion

#### Benefits:

- Reduces permeability
- Low odour
- Water based (solvent free)
- Low viscosity
- Easy to apply
- Environmentally friendly
- Economical

#### Typical areas of use:

- Concrete flooring
- Warehouses
- Storage facilities
- Carparks
- Garages

#### System Structure:

- |                        |                 |
