

PRODUCT DATA SHEET

Sika® Thinner C (NZ)

Solvent based thinner and cleaner

DESCRIPTION

Sika® Thinner C (NZ) is a solvent thinner for selected Sikafloor® resins and a cleaner for uncured product on tools used to apply Sika® branded sealants, adhesives and flooring products.

USES

Uses include:

- Modification of membrane or coating viscosity
- Cleaning of application equipment

CHARACTERISTICS / ADVANTAGES

- Easily cleans up uncured polyurethane, epoxy or resin based sealants, adhesives or coatings
- Allows the thinning of selected Sikafloor® products to aid application (refer to specific product data sheet)

PRODUCT INFORMATION

Packaging	500 ml, 4 litres and 20 litres
Shelf Life	Twelve (12) months from date of manufacture when stored as stated.
Storage Conditions	Always store Sika® Thinner C (NZ) in closed containers in cool, ventilated and dry locations, away from heat and oxidizing agents. Do not store in direct sunlight or in temperatures below 5°C or above 35°C.

SYSTEM INFORMATION

APPLICATION INFORMATION

BASIS OF PRODUCT DATA

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LIMITATIONS

- Do not open Sika® Thinner C (NZ) until ready to use.
- Store in a sealed container after opening.
- Vapours should not be inhaled.
- Wear all appropriate PPE when using.

ECOLOGY HEALTH AND SAFETY

For information and advice on the safe handling, storage and disposal of chemical products, users shall refer to the most recent Safety Data Sheet (SDS) containing physical, ecological, toxicological and other safety-related data.

APPLICATION INSTRUCTIONS

APPLICATION

For Thinning:

- Used, where necessary, with selected Sikafloor® resins (refer to the product data sheet).
- Only certain Sikafloor® products may be diluted.
- Never exceed the maximum dilution rate as stated on the product data sheet.

For Cleaning:

- Recommended for use to clean up uncured Sika® branded sealants, adhesives and flooring products.

LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the performance of this product may vary from country to country. Please consult the local Product Data Sheet for the exact description of the application fields.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request. It may be necessary to adapt the above disclaimer to specific local laws and regulations. Any changes to this disclaimer may only be implemented with permission of Sika® Corporate Legal in Baar.
