BUILDING TRUST

MIVIDA EMMAR IN NEW CAIRO, EGYPT

PROJECT DESCRIPTION

Emaar Misr's is a green high class community in New Cairo, Egypt. The project of an 860-acre community is an integrated development that includes a harmonious mix of residential, commercial and leisure facilities. It offers its residents a hassle-free lifestyle in elegant villas, uniquely designed townhouses and apartments.

PROJECT REQUIREMENT

Economic pre-packed tile adhesive for ceramic tiles with better workability than traditional mortar.

Special Requirements

High quality pre-mixed tile adhesive (just add water) for fixing tiles, with high bonding strength and quick application.

SIKA SOLUTION

SikaCeram® tile adhesive and Sika Tile Grout® – a complete system for fixing and grouting ceramic tiles.

Why Sika

Strong technical support, Key Account approach, Sika international brand name.
