COSTCO WHOLESALÉ, WESTGATE, AUCKLAND

PROJECT DESCRIPTION

Costco Wholesale Corporation is a well-known American multi-national company. As of 2020, Costco was the third largest retailer in the world, with 839 stores worldwide. Costco has opened its first 14,000m² store in West Auckland, New Zealand in August 2022. The retailer specialises in discounted high-quality merchandise, food, technology, tyres and more.

PROJECT REQUIREMENT

The client required a locally provided flooring system that would be consistent with the performance and look of other Costco stores. It also had to be suitable for the environment.

- Bakery and Kitchen areas required a non-slip, hygienic, food grade, easy to clean finish
- A decorative flake flooring system that was hygienic, easy to clean and non-slip was installed in the public toilet facilities
- Safety Yellow line markings with a non-slip finish were required for pedestrian crossing/line markings around the building

Product specifier: Woodhams Meikle Zhan Architects

Main Contractor: Haydn & Rollett

Specialist Contractor: European Floor Toppings Ltd

Sikafloor®-264 (Broadcast with Sika Aggregate) - Yellow Pedestrian Crossing

Sikafloor®-264 (Vinyl Chip Flake 'Richmond Marble') - Toilet facilities

CHALLENGES

Sikafloor PurCem Accelerator was used to assist in fast curing for the floor area where the rotisserie chickens are baked.

PROJECT SIZE

1,300m²

SIKA SOLUTION

Sikafloor PurCem[®] products were used in the food manufacturing facility due to their moisture tolerant, fast curing and non-tainting (no odour) properties. All Sika flooring systems used have Cleanroom certification.
