EBBETT TOYOTA, TE RAPA PARK,
HAMILTON

FLOORING

BUILDING TRUST

EBBETT TOYOTA, TE RAPA PARK, HAMILTON

PROJECT DESCRIPTION

Ebbett Toyota has opened a new dealership in Hamilton that required a multi-functional, easily maintained workshop floor. The workshop has 18 bays for the servicing, maintenance and repair of a wide range of vehicles.

PROJECT REQUIREMENT

- To supply a hard wearing, impact and abrasion resistant floor that was also resistant to oils, solvents and other fluids

SIKA SOLUTION

- Sikafloor-161 Primer
- Sikafloor-264 self smoothing system
- Sikafloor-315 finish coat to provide lightly textured slip resistance and increased abrasion resistance

PRODUCTS USED

Sikafloor-161
Sikafloor-264 SL
Sikafloor-315

PROJECT SIZE

1300 m²
