### Section 2: Hazard identification

### **GHS Classification**

Not a hazardous substance or mixture.

#### **GHS** label elements

No hazard pictogram, no signal word, no hazard statement(s), no precautionary statement(s) required

### Other hazards which do not result in classification

None known.

#### Section 3: Composition/information on ingredients

Substance / Mixture : Mixture

#### Components

| Chemical name                      | CAS-No.    | Concentration (% w/w) |
|------------------------------------|------------|-----------------------|
| triisobutyl phosphate              | 126-71-6   | >= 0.1 -< 1           |
| 2-octyl-2H-isothiazole-3-one (OIT) | 26530-20-1 | >= 0.0003 -< 0.0025   |

### Section 4: First-aid measures

| General advice          | : | No hazards which require special first aid measures.  |
|-------------------------|---|---|
| If inhaled              | : | Move to fresh air.                                    |
| In case of skin contact | : | Take off contaminated clothing and shoes immediately. |
